Moccasin Trail Tours Experience the last true adventure vacations in the world

offers exciting tours specializing in authentic aboriginal cultural and ecotourism packages in Northern Ontario. Our tours include anything from searching for polar bears on the coast of Hudson Bay to visiting national historic sites, spending a few nights in a tipi to traveling to remote native communities, canoeing, cruise ships, and winter activities such as dog sledding and snowshoeing. Motor home and self-drive tours are also available with customized packages.
