

# Rustic Benches : The Nature Bench

## **DESCRIPTION:**

This bench is solid pine with the overhang pieces made of split cedar.

These cedar pieces are quite unique with some having actual worm holes (the wood was eaten away which leaves squiggly, rounded paths). Others are smooth with beautiful wood grain and feature large knots. All these benches share the same 'aged' look created by burn marks, dents and scratches.

## **STANDARD SIZES ARE:**

Length for this bench is 3 feet only, height is normally 16 inches high.

Seat is usually 8-9 inches wide.

## **Stain comes in only color:**

**Light**
